

Expo User Interface design examples

The core of the user interface and the style guide are designed in the early phase of the user interface design process. Underlying pages and elements are designed and improved in a scrum process.

Historical periods \

Roman Empire

Empire romain (27 avant J.-C.-476 après J.-C.)

The Roman Empire (Latin: Imperium Romanum) was the post-Republican period of the ancient Roman civilization, characterised by an autocratic form of government and large territorial holdings around the Mediterranean in Europe, Africa, and Asia.
